*Our mission is to **recognize, invest in, celebrate** and **support** the faculty, students and parents of the Carroll ISD Special Programs community in pursuit of excellence in academic achievement and personal development.*

### Who joins the Booster for Special Programs?

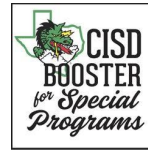

- Anyone interested in supporting the needs of CISD students in
  - Blended Prekindergarten
  - Special Education, including Adaptive PE, Psychological Services, Music, Occupational, Physical & Speech Therapy
  - Dyslexia
  - Section 504
  - English as a Second Language (ESL)
  - Transition Services
- Anyone wanting to invest in teachers and staff with ongoing training and requested classroom needs to better serve these students
- Parents seeking educational programs designed to help raise children who receive these supports
- Families hoping to connect with other families

### What benefits does Booster membership provide?

- Opportunities to network with other families in Special Programs
- Access to fun social events for students and parents
- Notification of upcoming community programs and events
- Supplemental funding to fulfill teacher requests and support our staff, which ultimately benefits our kids
- Education about best practices to enhance your ability to advocate for your child
- Assistance navigating programs and policies developed to assist your family

**Our annual membership drive ends Oct. 31, so don't delay - join today!**

# Thank you for joining us at the annual CISD Special Programs Parent Information and Fun Fair!
